

# Natural Vending

# Healthy to go

## It's always a good time for juice

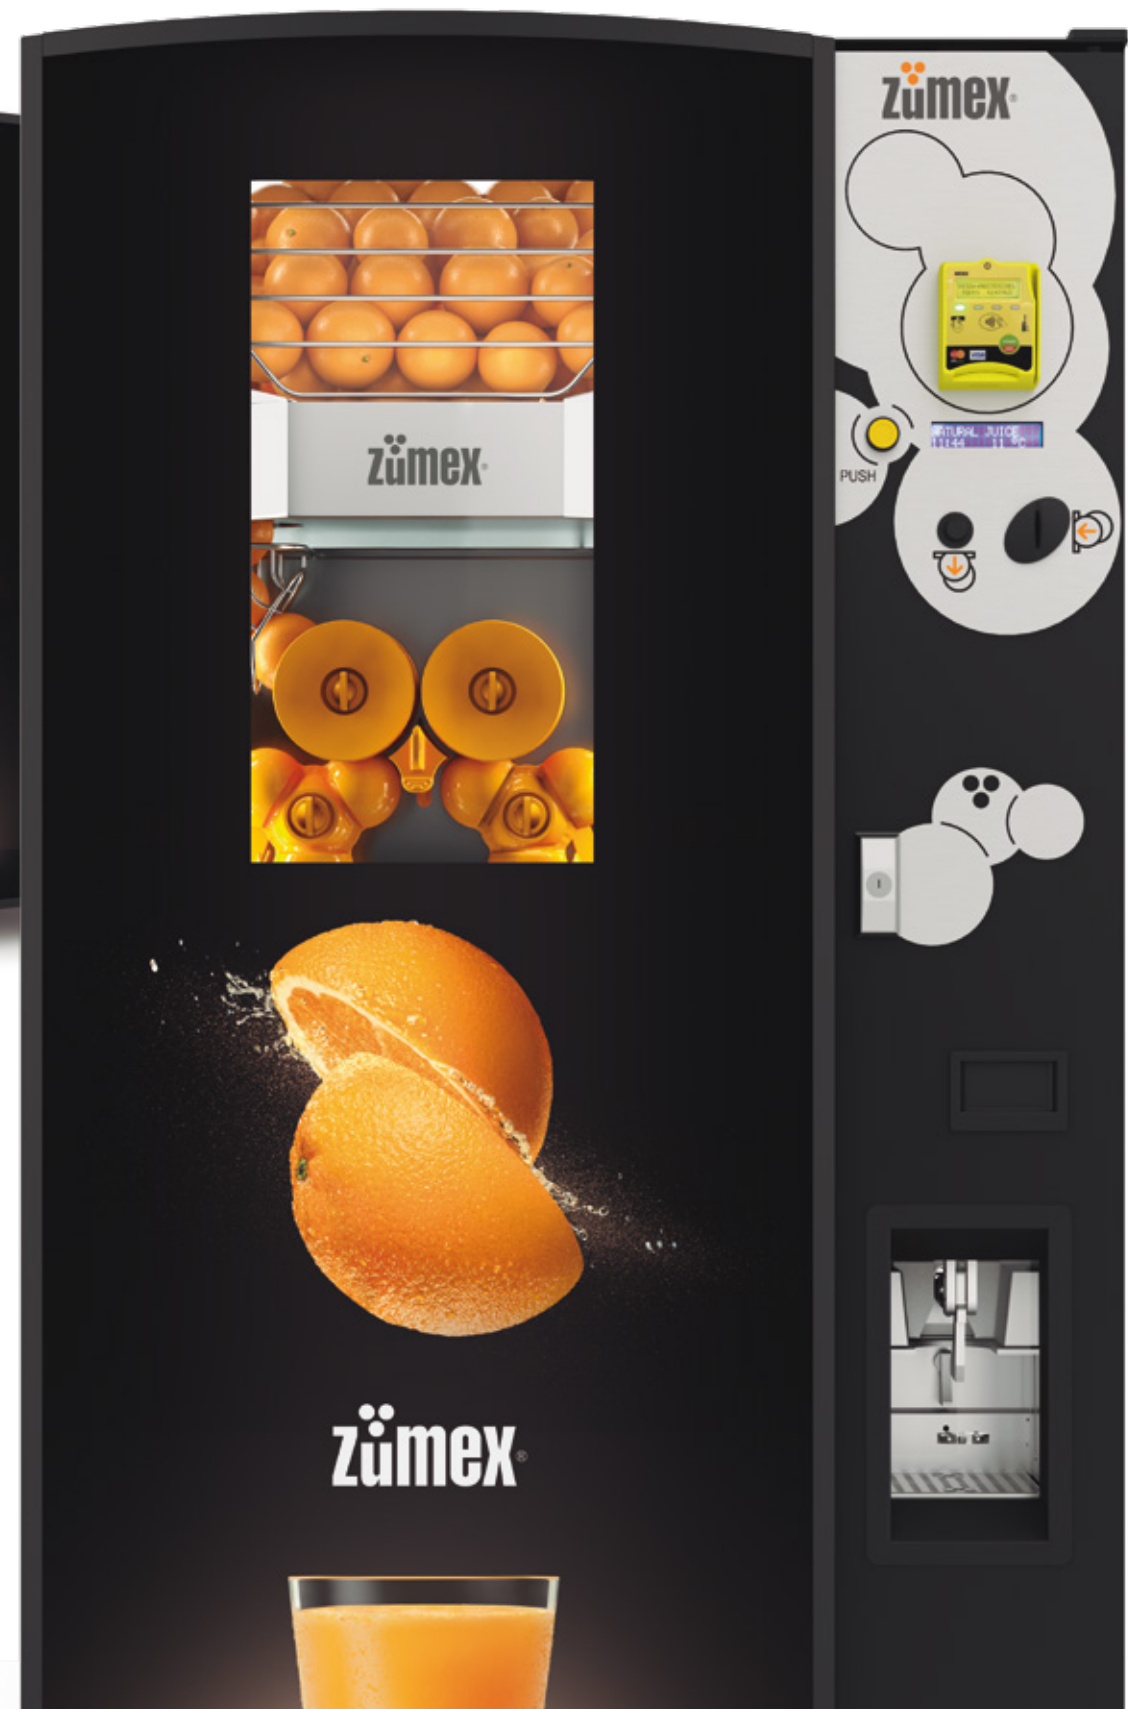

Thanks to our Healthy to go concept, your customers can enjoy freshly squeezed juice anytime, anywhere.

The healthy snack market<sup>1</sup> has grown by **4.7%**↑

## Look through the window into the world of juice

The new Natural Vending machines are now available with a larger window that showcases the juicing process and the freshness of the fruit that will appeal to customers.

## Natural Vending spaces

Our juice vending machines can transform a dull corner into a fresher, more natural space. Companies, schools, shopping centres, hospitals and gyms are perfect environments for offering customers and employees a healthier option.

# Transforming the world of juice

The process of making freshly squeezed juice is fast and transparent, transforming **oranges into juice in just a few seconds.**

Zumex's Original System®, which rotates the fruit during the juicing process, ensures that no juice comes into contact with the peel, offering premium quality juice with a great taste.

**Food hygiene guaranteed,** thanks to its **ASP antibacterial nanotechnology.**

## Smart cup filling system

**Number of oranges** per serving.

**Cup filling**  
Smart cup filling system with two juice filling modes, normal or extra.

**Large capacity**  
can store up to 50kg of fruit.

**Maintains a constant temperature**  
to ensure the fruit and juice are kept in optimum conditions.

**Waste bucket with wheels**  
Up to 100kg of waste.

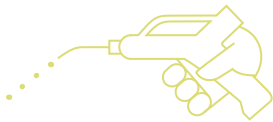

**Different cup sizes**  
Check out options

**110/120 servings**  
Excellent autonomy to give you peace of mind.

- ① **HEALTHY SNACK CONCEPT**
- ② **100% NATURAL FRESHLY SQUEEZED JUICE**

## Perfect cleaning, in two versions

Manual cleaning with spray gun or a programmed cleaning by choosing the start time or after a specific number of juices have been served.  
Does not require a water intake.

# Simple inside to make your life outside easier

Our juice vending machines have simple insides **to make your life outside easier, creating an efficient juicing process in which everything runs smoothly.**

## New cashless payment system

Our vending machines are compatible with the most common cashless payment methods, including **contactless, NFC, magnetic stripe and chip payments.**
